Coordinator
david.eifert57@gmail.com

This workshop, for Calgary area administrators, learning coaches and lead teachers, will review the research basis suggesting the benefits of educational coaches, examine the qualities that make a good coach, analyze successful methodologies used by coaches and provide some hands on activities that will assist independent schools as they plan structures to support inclusion in the school and the classroom.

Highlights

- 2 dates to pick from for your convenience
- Workshop designed by independent school personnel for independent schools

Pat.Vos@aisca.ab.ca

Alberta Education has generously provided AISCA with a grant to assist independent schools within the province as they seek to examine and revise their policies, procedures and practices in light of the province's move towards a more inclusive education system. Independent school administrators and teachers attending this workshop will be able to claim travelling and substitute costs at the following rates:

- Mileage @ \$0.48/km
 - Actual substitute costs up to \$300/day for School Heads/Principals and \$250/day for Lead Teachers
- Expense claim forms will be available at the workshop.

To Register, contact the AISCA office (Pat.Vos@aisca.ab.ca) with the names, titles, school name, phone numbers, and e-mail addresses of those attending.
